

Honor the Chief Society Membership Application

Traditions link us with the past, and allow us to see the value of our lineage. In order to focus our thinking, the "Honor the Chief Society" has adopted a definition for this cause:

Chief Illiniwek embodies the attributes we value as alumni, students, and friends of the University of Illinois at Urbana-Champaign. The tradition of the Chief is a link to our great past, a tangible symbol of an intangible spirit, filled with qualities to which a person of any background can aspire: goodness, strength, bravery, truthfulness, courage, and dignity.

The Honor the Chief Society is intended to provide a unified voice for the thousands of students, faculty, alumni and friends of the University of Illinois that support and value the Chief Illiniwek tradition. Not only do we want to honor the Chief, but we wish to offer a higher vision of the tradition and its future value, and encourage research and educational efforts that preserve, respect, and reaffirm our Illini heritage.
